I duly received your favour of  
the 13. Inst. which seems for enclosing of the Property  
of separating the Premiums that I am very sorry any delay  
has happened - I wrote to Mr. Bully last week from  
what I hope he will draw forth an Invoice of over  
Wishes as to find them forward as originally proposed  
And for fear of accident repeat it by the Copy.

And am with much Respect.

Dear Sir Your Obedt. Servant
